

All work listed below that was scheduled to begin after 10 a.m. Saturday has been cancelled due to weather. Tonight's eastbound closure and the westbound single-lane restriction on the I-376 bridge over Chartiers Creek will occur as planned.

I-376 Parkway West Overnight Closures and Single-Lane Restrictions this Weekend June 26-29

Pittsburgh – PennDOT is announcing overnight and single-lane restrictions on I-376 (Parkway West) in Scott Township and Rosslyn Farms, Carnegie and Greentree boroughs, Allegheny County, will continue this weekend, Friday night, June 26 through Monday morning, June 29 weather permitting.

Overnight closures and single-lane restrictions will occur on I-376 Parkway West according to the following schedule (*the schedule is subject to change*):

Overnight Closures

Friday night, June 26

- Full eastbound (inbound) closure from 10 p.m. Friday night to 10 a.m. Saturday morning between the I-79 (Exit 64A) and the Parkway Center interchanges.

Saturday night, June 27

- Full westbound (outbound) closure from Greentree/Crafton (Exit 67) to I-79 (Exit 64A) from 10 p.m. Saturday night to 10 a.m. Sunday morning.

Single-Lane Restrictions

- Westbound (outbound) single-lane restrictions will occur from 11:30 Friday night through 6 a.m. Monday morning on the I-376 bridge over Banksville Road. Additionally, a single-lane closure will occur at the I-376 bridge that carries Chartiers Creek from 11:30 Friday night to 6 a.m. Saturday morning.
- An eastbound (inbound) single-lane restriction will occur from 10 a.m. Saturday morning through Monday morning at 6 a.m. on the I-376 bridge over Poplar Street.

Additionally, the on-ramp from Poplar Street to eastbound (inbound) I-376 Parkway West will close from 10 p.m. Friday night continually through 6 a.m. Monday morning.

Posted westbound detour (between Greentree and I-79)

Outbound (westbound)

- Motorists will exit I-376 at the Greentree/Crafton (Exit 67) interchange
- Bear left to north 121 towards Crafton
- Turn left onto Mansfield Avenue (Route 3062)
- Turn left onto Noblestown Road (Route 50)
- Noblestown Road becomes East Main Street
- Turn right onto Jane Street
- Jane Street becomes Mansfield Boulevard
- Mansfield Boulevard becomes West Main Street
- Follow West Main Street to I-79
- Take the ramp to northbound I-79
- Follow northbound I-79 to I-376

- End detour

The eastbound (inbound) closures will occur between I-79 (Exit 64A) and Parkway Center (Exit 68) interchanges.

Posted eastbound detour route (between I-79 and Parkway Center)

Inbound (eastbound)

- Motorists will exit I-376 at the I-79 south (Exit 64A) interchange towards Washington
- Follow I-79 south to the Carnegie (Exit 57) interchange off-ramp
- At the end of the off-ramp, turn left onto West Main Street
- West Main Street becomes Mansfield Boulevard
- Turn right onto Chestnut Street
- Turn left onto East Main Street
- East Main Street becomes Noblestown Road
- Turn right onto Mansfield Avenue
- Turn left onto Greentree Road
- Turn right onto Parkway Center Drive
- Follow to I-376
- End detour

Crews will conduct barrier replacement, shoulder reconstruction and bridge rehabilitation work. Additionally, work will occur on structures at the Poplar Street and Banksville Road interchanges.

Motorists should allow extra time if traveling through the corridor. Additionally, motorists should be aware of shifting and narrowing lanes. Please use caution and slow down through the construction area. Work zone safety is everyone's responsibility.

To help keep motorists informed as work progresses, PennDOT has created an email distribution list for I-376 Parkway West traffic advisories and construction updates. Enroll by sending email addresses to stcowan@pa.gov. Please write "Subscribe – Parkway West" in the subject line.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 700 traffic cameras. 511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
